To Whom It May Concern:

I am writing to you in support Miss. Kullaya Duangtipja desire to attend Asahikawa Welfare Special School. Though many students ask me to make this request on their behalf, I only recommend students whom I feel are well-suited for the program of their choice. Miss. Duangtipja is one of those students and therefore, I highly recommend that she be given the opportunity to attend your School.

As Dean of Faculty of Humanities and Social Sciences at Suan Sunandha Rajabhat University , I work with many students who have substantial knowledge of Japanese. Each year I notice that only a few outstanding students offer a unique perspective and really embrace their learning of the subject matter. Miss. Duangtipja has consistently shown such a strong desire to learn and I simply could not turn down her request for recommendation.

I first met . Miss. Duangtipja in my foundation course during the second semester. Compared to the class average of the second-year students, Miss. Duangtipja was the outstanding students in the class.

Miss. Duangtipja continues to impress me with their knowledge, skill and dedication to their work. I'm sure you will find them students whose talents will only shine further through your graduate program. It is my hope that you will accept their admission to your university. Please do not hesitate to contact me if you require further information.

Your kind consideration would be much appreciated.
