The Public Administration Programs, the Faculty of Humanities and Social Sciences held the workshop on the surveyed and developed the rural areas.

The Public Administration Programs, the Faculty of Humanities and Social Sciences held the workshop on the surveyed and developed the rural areas from May 3rd – 5th, 2019 at Khaonampu Nature and Wild Life Education Center, Amphoe Si Sawat, Kanchanaburi province. This workshop, Mr. Phichak Phutrakhul, the faculty members, staff, and students joined the survey the areas and created the weir for slow down and retain the water for the agriculture, create the moisture to the forest, and make the food sources of the wild animal in that area. This workshop can make the students have the skills for the survey and develop the rural areas, create the public consciousness the society and make the students to the perfect persons.
