took place by the English Program,  
the Faculty of Humanities and Social Sciences.*

An enhancement activity for the English skills “SMALL TALK” took place by the English Program, the Faculty of Humanities and Social Sciences.

On August 29<sup>th</sup>, 2019, the 4 exchanged students from the University of De Montfort, the United Kingdom joined the enhancing activity “Small Talk” with the 4th year students from the English Program. This activity is part of the Preparation for the Professional Internship subject. The purpose of this activity was enhancing the English skills and the confidence of the students before they go to the internship.
