The Preparation for Professional Experience of Cultural Management Program, Faculty of Humanities and Social Sciences

Cultural Management Program, Faculty of Humanities and Social Sciences, organized the preparation for professional experience program to senior students at Nipa Noppadol meeting room in the faculty of Humanities and Social Sciences, Suan Sunandha Rajabhat University on December 2nd, 2019. The main purpose of this project is to have post training for senior students and gave opportunity for junior students to attend the seminar and get experience from the senior internships before their enrollment on the field experience next semester.
