

The workshop on internal education quality assurance for student in academic year of 2019, Faculty of Humanities and Social Sciences

Student Affairs Department of the Faculty of Humanities and Social Sciences organized a workshop on internal education quality assurance for student in academic year of 2019 for student representatives of the programs on February 20th, 2020. The objectives of the project were sharing knowledge and led the students to understand and participate in internal education quality assurance. They can also use the knowledge to organize student activities in accordance with internal education quality assurance. The workshop was honored by Dr. Weera Weerasophon, Vice-Dean for Student Affairs to preside over the ceremony and Dr. Attapong Sritalalai as the guest speaker to share knowledge with students at Nipanapadol Conference Room in building 35.
