The Chinese Embassy in Thailand supports "Anti-germs Pharmaceuticals" for students in the academic cooperation project, Yunnan Normal University.

Dr. Weera Weerasophon, Vice-Dean for Student Affairs of the faculty of Humanities and Social Sciences, Mr. Fan Liang from Chinese Language Program, and Ms. Chonlada Choovanichanon from Tourism Industry and Hospitality Management Program with Chinese Student Association in Thailand distributed the “medical supplies for anti-germs” for the prevention of the covid-19 virus on May 15th, 2020. The supplies have been supported by the Embassy of the People’s Republic of China in Thailand to students in the academic cooperation project, Yunnan Normal University, and Tourism Industry and Hospitality Management Program of the faculty of Humanities and Social Sciences.
