The officers from the Faculty of Humanities and Social Sciences joined the workshop in the topic “The developing for the potential of the computer technical officer.”

On June 23rd – 24th, 2020, Mr. Kitpakorn Boonma, Mr. Wuttipong Niemboon, the computer technical officers from the Faculty of Humanities and Social Sciences participated in the workshop “The developing for the potential of the computer technical officer,” which held by the Academic Resources and Information Technology, Suan Sunandha Rajabhat University. This workshop is about the training for using the tool for teaching through the online such as the basic of G-Suite, Google Drive, Google Hangouts Meet, Google Calendar, Google Classroom, Google Docs, Google Sheets, Google Slides, Google Jamboard, Google Form, using the OBS#1, Padlet, and Quizziz. The guest speaker for this training is Mr. Apisit Rattanatanurak and Dr. Sethakarn Prongnuch. The purpose of this training is to enhance the potential of the computer technical officers from every faculty in the university and bring this knowledge to use in their faculty.
