**Public and Private Management Program, Faculty of Humanities and Social Sciences  
preparing students for professional experience**

Dr. Pimchana Sriboonyaponrat, Head of Public and Private Management Program, Department of Public Administration, Faculty of Humanities and Social Sciences, Suan Sunandha Rajabhat University together with the lecturers gave a lecture to senior students on July 14<sup>th</sup>, 2020. The objectives of the lecture were providing students with knowledge and understanding of organizational structure and system analysis, working process, coordination skills, problem analysis, and the ability to apply knowledge from classroom to practical work before going to practice professional experience in Public and Private Administration in the near future.
