Student skills development program before professional experience training of Police Administration Program, Faculty of Humanities and Social Sciences

Police Administration Program, Faculty of Humanities and Social Sciences, organized a project to develop student skills before professional experience training for senior students on November 11-13, 2020. The objective of the project is to provide knowledge and skills required to prepare for a professional experience training in the second semester for senior students. The activities have consisted of mangrove planting at Ban Bang In Phatthana, Phetchaburi Province, field trip at the Royal Rainmaking Center and Rajabhakti Park, Prachuap Khiri Khan Province, and moral and ethics activity at the Blind Children with Multiple Disabilities School, Phetchaburi Province.
