The Faculty of Humanities and Social Sciences with the Institute of Research and Development, Suan Sunandha Rajabhat University, develop the urban community.

Two lecturers from the Faculty of Humanities and Social Sciences Ms. Phachaya Chaiwchan, the Head of Digital Innovation Management program, Acting 2nd Lt. (women) Pennapa Palapin, the Head of Social Development Management Program- got the honor as the guest speakers from the Institute of Research and Development, Suan Sunandha Rajabhat University for the academic service by instructing the knowledge for developing the application for the business. This knowledge increases the distribution of products up the level for income and the quality of life. This activity also brainstorms the know-how and plan for developing the community product for the Dusit brand.
