

Thai Language Program, Faculty of Humanities and Social Sciences, organized a student training on the topic "Research Ethics: Academic Plagiarism Issue"

Thai Language Program, Faculty of Humanities and Social Sciences, organized a student training activity on the topic "Research Ethics: Academic Plagiarism Issue" on January 14, 2021, for junior students who are studying Thai Language Research. The lecture was honored by Assistant Professor Dr. Songphan Choemprayong, Chair of Department of Library Science, Faculty of Arts, Chulalongkorn University, as a guest speaker. This training exposed students to have knowledge and doing research according to the ethical principles and avoid academic plagiarism that can be used in the course. Also, the ideas gained can be applied in everyday life. This training is the commitment of the program to create quality graduates in both knowledge and thinking to create a good society through doing research and practice. This event is organized online to prevent the spread of COVID-19.
